Mr. Nicholas Boraski  
Vice President & General Manager  
Large Transformer Business Division  
General Electric Company  
Redmond Circle  
Rome, GA 30161

RE: General Electric Co. - Rome, EPA  
I.D. #GAD003308145

Dear Mr. Boraski:

Reference your application to the Georgia Environmental Protection Division for a hazardous waste storage permit. As the permitting process is continuing, a variance to continue existing hazardous waste management operations is hereby granted for a period of one year from the date of this letter, contingent upon the following:

1. Compliance with Chapter 391-3-11-.10 of the Georgia Rules for Hazardous Waste Management - "Standards Applicable to the Owners and Operators of Hazardous Waste Treatment, Storage, and Disposal Facilities", and
2. The continued operation of these facilities may not present an undue present or potential threat to the environment or health of humans.

This facility is subject to inspection for compliance with Section 391-3-11-.10 as well as other applicable provisions of the Georgia Rules for Hazardous Waste Management during and after this interim period. Please be aware that this letter in no way permits disposal of hazardous waste in an unpermitted hazardous waste handling facility.

Should you have any questions, please contact the Division at 404/656-7802. Your cooperation in protecting the environment of Georgia is appreciated.

Sincerely,

J. Leonard Ledbetter  
Director
